

Day's of our Knives

DARN! DOESN'T ANYONE MAKE A KNIFE STRONG OR SHARP ENOUGH TO LAST THROUGH AN ENTIRE PROCEDURE?

TRY THIS ONE, DOCTOR. IT'S AN ALCON OPHTHALMIC KNIFE WITH UNEQUALED SHARPNESS AND DEPENDABLE QUALITY.

WELL, YOU DID IT AGAIN, DOCTOR. NICE WORK.

I SURE COULDN'T HAVE DONE IT WITHOUT ALCON OR WITHOUT YOU. YOU'RE BOTH A-OK!
