

Just waiting to be discovered.

Pioneers found the site above the Trinity River 150 years ago. Drawn to the views, beauty and security of the area, they built the first homes along the bluff.

The first residential area in Fort Worth
is once again its finest.

Introducing UpTown – grass and trees, single-family homes, apartments, condos and townhomes. From the edge of Sundance to the banks of the Trinity. The first new homes are available now. More are on the way, starting at \$270,000.

Come discover UpTown.

Live it up!
