

## When you start with Craftmade, you start at the top.

When you start decorating a room, it's a good idea to start at the top. And nothing tops a room like a Craftmade ceiling fan. Here are just two of the two-dozen styles we offer: On the left, the Cordova®, shown in Brownstone™ and available in six additional finishes. On the right, a polished brass Barcelona®, available in eight additional finishes. Both are popularly priced and carry extended warranties.

Isn't it time to give your showroom the Craftmade look? Visit us at Showroom 4735, Dallas Trade Mart or call us at 1-800-486-4892.
